---

- They report child sex trafficking. False<sup>4</sup>
- Abortion is only 3% of what they do. False<sup>5</sup>

**#DEFUND PP  
NOW**

**Lake County Right to Life wants you to know the truth about Planned Parenthood.**

Planned Parenthood is all about

**\*abortion**

**\*the money**

**\*sex**

**\*deception**

Planned Parenthood promotes sex with no strings attached. Go to <https://www.liveaction.org/what-we-do/investigations/disturbing-advice-on-sex/> and see the disturbing video about their sex education programming. They have no respect for parents' rights regarding their children's education in this area.

## Planned Parenthood is an evil organization.

---

Teens are getting duped by Planned Parenthood. They are being convinced that contraception is perfectly safe and helps prevent abortions. This is blatantly false. PP even admits to the failure rate of contraception and knows that abortion is the back-up plan for contraceptive failure. Planned Parenthood should be more honest about the STD epidemic that has resulted from carefree “safe” sex that they promote. Details are available here: <https://www.cdc.gov/nchhstp/newsroom/2016/std-surveillance-report-2015-press-release.html>
